HTML Editor

If you have essay questions within your quizzes and the students cannot see the HTML text editor(Figure 1) box.
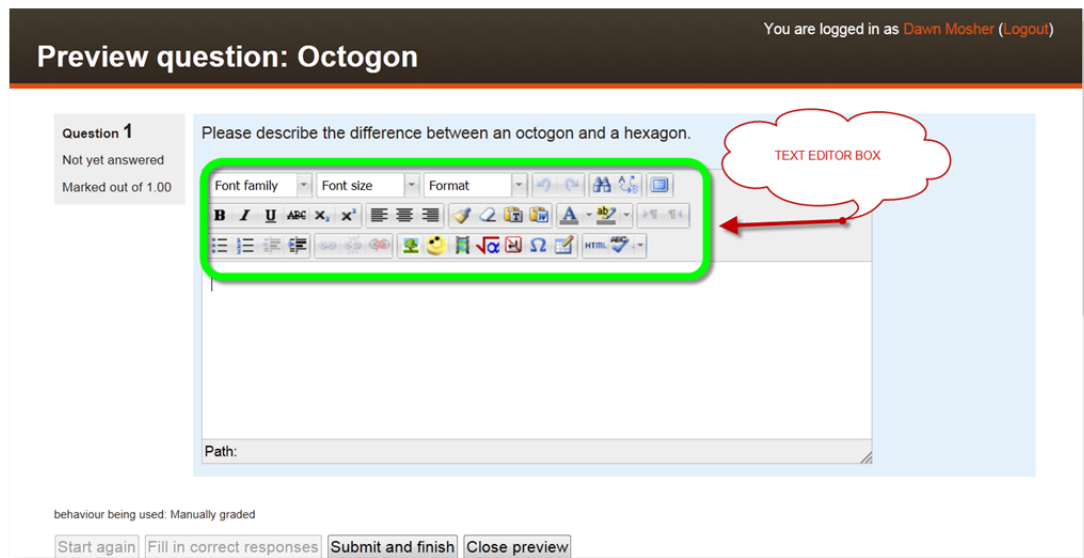

Missing HMTL text editor (Figure 2)

*Simply go to your question bank. Settings/Course Administration/Question Bank (Figure 3)*

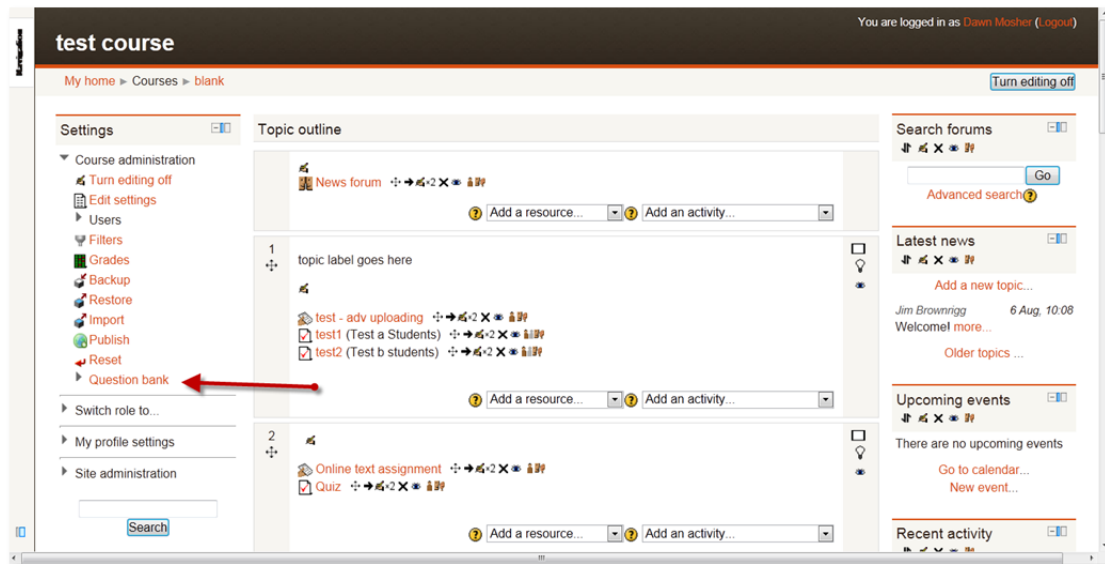

Figure 3

*Click on the hand with the pencil ✎ in it to "Update" your question.(Figure 4)*

Figure 4

Click on the dropdown box near "Response format" and verify "HTML editor" is selected. (Figure 5)Save the question.
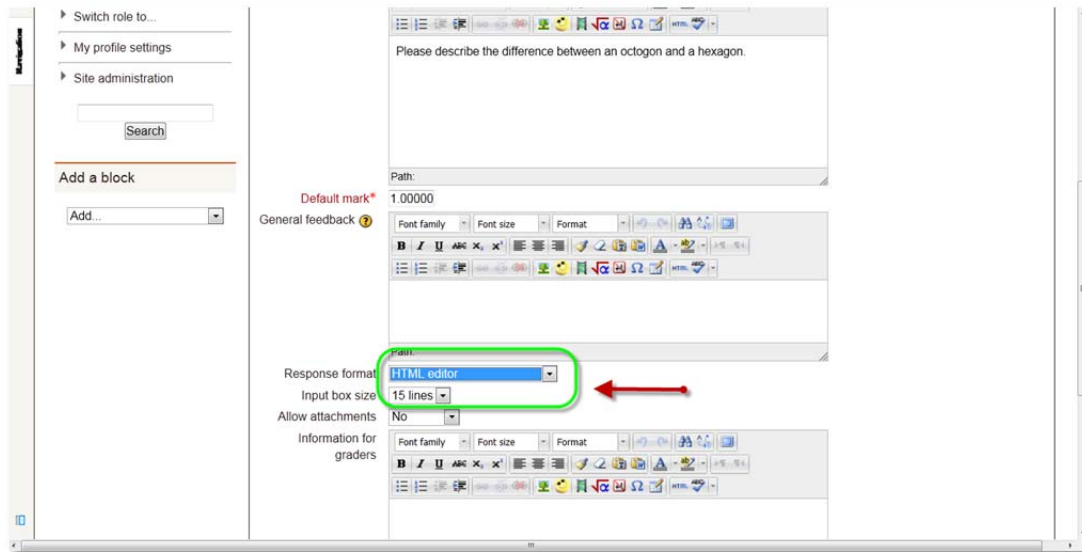

Figure 5

*Your students should now see the "HTML Text editor" box. (Figure 6)*
