The Lapeer County ISD Special Education Parent Advisory Committee

The Lapeer County Parent Advisory Committee (PAC) is a group of educators and parents representing our local school districts whose primary focus is to stay informed regarding Special Education plans and changes, current trends in Special Education at the County, State, and Federal level, and if needed, to assist and promote partnerships among parents and educators that benefit students with disabilities.

The PAC takes an active role in the development of the Lapeer County Special Education Mandatory Plan, a document which describes the delivery of special education services in Lapeer County. The PAC provides workshops and speakers from the county and state-wide programs which can richly serve not only the parents of children with special needs, but in many instances the individual with the disability.

The PAC meets at:

Lapeer County ISD Education and Technology Center
690 N. Lake Pleasant Road, Attica, MI.
6:00 p.m.–8:00 p.m.

Save without losing benefits.

Support your **health, independence and quality of life.**

The Michigan Able Act was signed into law in October 2015, following passage in December 2014 of the federal Stephen Beck Jr. Achieving a Better Life Experience (ABLE) Act, which authorized states to establish tax-advantaged savings programs for individuals with a disabilities.

The goal is to encourage and assist individuals and families in saving funds that help individuals with disabilities to maintain health, independence and quality of life without jeopardizing benefits provided through private insurance, Supplemental Security Income, Medicaid, the beneficiary's employment and other sources.

In general, individuals are eligible if they became disabled or blind before the age of 26 and are entitled to either Social Security Disability Insurance or Supplemental Security Income. Take the online quiz or call 844-656-7225 to determine eligibility.

An Introduction to Behavioral Health Treatments

A Parent's Guide

A FREE tool kit is available to provide parents of children with ASD with an **overview of in-home strategies** as well as tips to teach and increase desirable behaviors and decrease behavior problems. This tool kit also provides parents with an **overview of professional behavioral treatments** that families can seek out from qualified professionals. For information about more intensive home-based treatments please refer to the ABA tool kit posted to the Autism Speaks website.

Project Venture

As a student with a disability, considering college comes with a mix of excitement and uncertainty. RCPD invites you to join us for a unique on-campus, pre-college experience. Project Venture offers the chance to “try on” university life through an interactive experience here at MSU. RCPD hosts the Project Venture program thanks to the generous contributions of the [Wochholz Endowment](#), which encourages students with disabilities to pursue higher education at an inclusive university such as MSU.

At Project Venture you will:

- ◆ Talk directly with current MSU students with disabilities who have “been there” and understand the journey
- ◆ Consult with university disability specialists to gain skills for college
- ◆ Experience the latest assistive technology through breakout sessions
- ◆ Attend a college class, stay overnight, and connect with other high school students with disabilities
- ◆ Become aware of self-advocacy skills and resources for a successful transition to higher education

Explore the possibilities, design your future, and commit to success: It’s in your hands!
Please take note that the program fills quickly. The application system will close after 50 applications have been submitted. 20 participants will be accepted based on the quality of the submissions.

When is Project Venture?

June 23-26, 2019

Programming will begin Sunday evening and run through Wednesday afternoon.

The summer therapy camp program is the heart of what we do here at Bay Cliff. We are planning for our 86th consecutive summer!

Each summer approximately 170 children come through the gate at Bay Cliff for a summer filled of therapy and camping fun. They come with the dreams of walking, talking, playing, and taking care of themselves just like any other child. Helping them in this pursuit is a staff of dedicated camp counselors and therapists, instructors and nurses, and support personnel numbering 130.

OUCARES Summer Camp Information is Now Available!

The Oakland University Center for Autism Outreach Services (OUCARES) offers a variety of summer day camps for individuals on the Autism Spectrum ages 3 yrs through Adult. All OUCARES Summer Camp rooms are led by teachers specifically certified to teach individuals with ASD. All camps maintain a 3:1 ratio of campers to staff per room.

- Pee Wee Camp—Children ages 3-6
- Summer Day Camp— Children 7-12 years old
- Teen Life Skills Camp— Adolescents 11-14/ 15-18

The SCAMP Program

Clarkston SCAMP is a five week summer day camp for children and young adults with special needs. SCAMP provides recreational and social opportunities under the supervision of highly trained staff.

SCAMP supports students with a wide range of special needs including autism/spectrum disorders, physical disabilities, cognitive and emotional impairment. There are over 50 young adults that volunteer at the camp in addition to trained staff to provide support and positive social interaction. SCAMPers attend our program from Clarkston and surrounding areas.

SCAMP runs from the end of June to the beginning of August. Three days a week, MTW from 9 am until 2 pm. This year the SCAMP Program will be located at Clarkston Junior High School.

P.O.W.E.R. CAMP

Based at YMCA Camp Copneconic in Fenton, POWER Camp is a summer day camp exclusively tailored to those with Autism Spectrum Disorder. In 2019 we will celebrate our 9th year! POWER Camp was developed to help expand the capabilities, confidence, and social experiences of youth with autism. The program includes "Peer Buddies" who are typically developing children aged 10-15 who serve as a friend and mentor to campers with autism. Led by adults with specialized ASD training and supported by "junior counselors", the camp encourages fun, learning and social interaction in a supportive and loving setting.

BRIDGEPORT TOWNSHIP PARKS & RECREATION Great Lakes Bay Miracle League

What We Are: The Great Lakes Bay Miracle League is dedicated to providing a safe and enjoyable baseball experience for children with developmental or physical disabilities. We welcome girls and boys ages 5 and up, regardless of previous experience or level of ability. Each player is assigned an able-bodied "buddy" volunteer to assist them during the game! Parents may volunteer or sit back and watch their child play.

Where We Play: The Frank N. Andersen Recreational Complex is a unique facility—the only of its kind in the Great Lakes Bay Region. A custom-designed rubberized turf field gives the look of a typical diamond with ease of access. Designed to go above and beyond basic ADA-requirements, this universally-accessible outdoor athletic complex easily accommodates wheelchairs, walkers, and other assistive devices.
